DERMAPLANING FACIAL \$150 | ⌚ 45 Mins

This beautiful treatment uses an extremely gentle method of exfoliation where a special surgical tool is used to remove the outer layers of dead skin cells as well as fine hair. For the ultimate sensory experience, ask for our Egyptian Rose Hydrojelly Mask to be added to complete this service.

SKIN NEEDLING

SKIN NEEDLING TREATMENT \$249 | ⌚ 45 Mins

Skin Needling (also know as Micro-Needling or Dermapen) uses a revolutionary device that stimulates the production of your own collagen to create smoother, healthier skin. It is used to improve skin texture, making it ideal for reducing acne scarring, stretch marks, fine lines, enlarged pores, blackheads and scarring with very little downtime.

In addition, Skin-Needling increases the ability for skincare products to penetrate deeply into the skin. Any active skin care products applied to the skin during or immediately after the treatment are readily absorbed into the deeper layers of the skin.

COSMETIC TATTOO FOR EYEBROWS

FEATHER BROWS \$495 | ⌚ 2-3 Hours

Feathertouch Brows (microblading) is the most natural option. Fine hair-like strokes are tattooed into the brow mimicking your existing hair growth using a hand-tool called a "microblade". It is the most natural-looking way of adding more fullness, definition and shape to the brows which is suitable for clients with either full brows or minimal/no brow hair at all.

Perfection appointment 4-8 weeks later - \$100.

POWDER BROWS \$495 | ⌚ 2-3 Hours

Powder Brows (shaded) is the boldest tattooed brow option. Powder brows provide a fuller, bolder and more penciled in look. The fronts of the brows are softer and lighter while the ends of the brows are heavier and darker. This technique is done with a tattoo machine and is suitable for clients with either full brows or minimal/no brow hair at all. This is a better option for oily skin as it tends to hold longer (if you usually wear brow makeup, this option is for you).

Perfection appointment 4-8 weeks later - \$100.

COMBINATION BROWS \$595 | ⌚ 2-3 Hours

Combination Brows (Feathertouch & Shaded) is both options combined. This really is the best of both worlds and the most loved technique. The fronts of the brows are hairstrokes (natural), and the ends are shaded (bold). This technique is created with both a microblade and tattoo machine. This is suitable for clients with either full brows or minimal/no brow hair at all. If you love a bold brow but don't want to commit to full shading then this is your option.

Perfection appointment 4-8 weeks later - \$120.

BROW REFRESH

Our loyalty rates for returning clients include one session:

Brow Refresh: 2 - 6 months	\$245
Brow Refresh: 6-12 months	\$345
Brow Refresh: 12-18 months	\$445

Deposits:

All Cosmetic Tattoo bookings require a \$100 non-refundable deposit to secure your appointment. Deposits can be processed using ZipPay or Afterpay if this is the preferred method of payment.
